Paperwork procedure:

1. Fill out a separate form for each type of procedure; include phone number and breed on EACH form!
2. All procedures must be scheduled and paid for in advance
3. Upon receipt of your paperwork and check, we'll send you a return card with your exact appt. times. Every effort will be made to group your appointments at the various stations close together.
4. If you want to save time at the clinic filling out paperwork, the CERF forms can be sent to you in advance. **Include a LARGE SASE that will hold the forms requested (that means you must include postage!!)**. Remember, our Club pays \$2/form, so if you botch one, we'll have to charge you for a new one. All OFA forms can be downloaded from their website ([www.offa.org](http://www.offa.org)) and partially filled out in advance.
5. OFA is continuing their special. We will have stickers available to allow you to register each procedure at OFA for half price.
6. Checks for the various procedures may be combined and made payable to SCKC. In some cases, you may have to make a separate check out to OFA as well; read the instructions.
7. All forms require AKC (or other) registration name and number, as well as reg. #'s of sire and dam. Some procedures now oblige you to include a copy of the actual registration slip with the OFA form and check. Please bring several copies of your dog's registration slip so all paperwork can be completed.
8. Positive identification is preferred for all procedures and required for some (CERF). You can have your dog microchipped at the clinic. If your dog is already chipped, we will have a universal scanner available to read the ID number.
9. Directions to our building are below; please save this front page after filling out forms.

Send completed forms and checks to:

**KAREN POWDER**  
**19121 12th Ave. N.**  
**East Moline, IL, 61244.**  
**(309) 496-2241**

**Please return by August 22, 2008** if possible; demand is always high and we often have to turn people away who waited too long!
